PRAYER

E to matou Matua,

May we all be passionate disciples, devoted to your kingdom transformation.

May we be bold in our worship through our care for creation, devotion to prayer and expectation of growth.

Help us raise up leaders to equip all the saints to disciple others and do your will in this land.

Grow in number those who have a sense of belonging in your church and by your grace may we be a welcoming people.

Enable us to grow as missionaries and replenish others through the power of your Holy Spirit.

Then will your kingdom come on earth as it is in heaven. With us it is impossible, only you can save us.

Āmine.
